Non-Local Primary School Placement Information for Parents

Please read carefully before completing the form

Parents may apply for the non-local enrolment of their child in up to two (2) schools of their choice in addition to their designated local school. A separate application form is required for each school.

Reasons for choosing non-local placements may include:

- Change of residence
- Move from a non-government school
- Siblings already enrolled at the school
- Medical reasons
- Safety and supervision of the student before and after school
- Student welfare needs
- Particular educational programs or philosophies
- Structure and organisation of the school
- Size of the school
- Particular disciplinary procedures
- Attitude to school uniforms
- Travel arrangements and/or distance

The number of students a school may enrol is limited by the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.

Once a student enrolls in non-local school, transfer to another non-local school will only be possible in exceptional circumstances. Transfer to the student's local school will be allowed if space is available.

Parents can appeal against decisions regarding non-local placement by writing to the Assistant Director-General (Region).
